Short Description

Skin Repair C was developed to protect the skin against bacterial and fungal attacks, reduce inflammation, and support the skin's ability to heal.

Description

Users have reported that Skin Repair C has eliminated scaly spots, smoothed rough patches, cleared up fungal infections, sped up wound healing, reduced the appearance of newly-forming scars, reduced wrinkling, reduced the appearance of rosacea, and generally resulted in healthier, younger looking skin.

Suggested uses

The following uses have been published for one or more of the ingredients of this product;

Burns, Eyes, Hair, Immunity booster, Psoriasis, Scalp, Skin complaints, Sore throat, Sores, Warts, Wounds

How to use

Put a drop or two on your finger and massage it onto your skin where it needs attention. If desired, apply all over after a shower and after drying off. This also makes an excellent treatment before applying your normal makeup. After several weeks of treatment, you may notice younger looking and younger feeling skin. You can apply Skin Repair C anywhere that you want to improve or correct the health of your skin. You do not need to apply much, and it will be absorbed quickly. Apply more generously over trouble spots.
