

Skin Repair M

Availability: In Stock
Weight: 2.73oz

Price: \$15.00

Short Description

Skin Repair M was developed to protect sensitive skin against bacterial, fungal, and viral attacks and to reduce the occurrence or severity of acne, pimples, and blackheads.

Description

Acne is a common skin condition that happens when hair follicles under the skin become clogged. Sebum—oil that helps keep skin from drying out—and dead skin cells plug the pores, which leads to outbreaks of lesions, commonly called pimples. Most often, the outbreaks occur on the face but can also appear on the back, chest, and shoulders.

Acne is an inflammatory disorder of the skin, which has sebaceous (oil) glands that connects to the hair follicle, which contains a fine hair. In healthy skin, the sebaceous glands make sebum that empties onto the skin surface through the pore, which is an opening in the follicle. Keratinocytes, a type of skin cell, line the follicle. Normally as the body sheds skin cells, the keratinocytes rise to the surface of the skin. When someone has acne, the hair, sebum, and keratinocytes stick together inside the pore. This prevents the keratinocytes from shedding and keeps the sebum from reaching the surface of the skin. The mixture of oil and cells allows bacteria that normally live on the skin to grow in the plugged follicles and cause inflammation—swelling, redness, heat, and pain. When the wall of the plugged follicle breaks down, it spills the bacteria, skin cells, and sebum into nearby skin, creating lesions or pimples.

Suggested uses

The following uses have been published for one or more of the ingredients of this product;

Bites, Bleeding, Burns, Cuts, Dermatitis, Diaper rash, Eczema, Infections, Itching, Rashes, Skin complaints, Sores, Splinters, Stings, Wounds.

How to use

Put a drop or two on your finger and massage it onto your skin where it needs attention. If desired, apply all over after a shower and after drying off. This also makes an excellent treatment before applying your normal makeup. After several weeks of treatment, you may notice a reduction in blemishes. You can apply Skin Repair M anywhere that you want to improve or correct the health of your skin. You do not need to apply much, and it will be absorbed quickly. Apply more generously over trouble spots.

Properties

The following properties have been identified for one or more the ingredients of this product;

Analgesic, Antibacterial, Anticarcinogenic, Antidiarrheal , Antifungal, Anti-inflammatory, Antimicrobial, Antioxidant, Antipsoriatic, Antipyretic, Antirheumatic, Antiviral, Aromatherapy, Astringent, Carminative, Demulcent, Depurative, Diaphoretic, Diuretic, Dysentery, Emmenagogue, Emollient, Expectorant, Febrifuge, Galactagogue, Hypoglycemic, Kidney, Laxative, Ophthalmic, Pectoral, Poultice, Refrigerant, Scented, Sedative, TB, Tonic, Vulnerary.

Precautions

None

Ingredients

Jojoba (*Simmondsia chinensis*), Blackberry (*Rubus fruticosus*), Chickweed (*Stellaria media*), Lemon balm (*Melissa officinalis*).
