Short Description

Thirty premium-quality tea bags for filling with your choice of herbal ingredients.

Description

These tea bags are made from only the finest materials to ensure that your infusions are nearly sediment free while still allowing for the free flow of hot water for maximum extraction. Their bigger size allows for the expansion of the ingredients or the use of more materials for larger preparations.

Easy to use; no heat is required to close these bags.

Suggested uses

The following uses have been published for one or more of the ingredients of this product;

Perfect for making teas, tisanes, or infusions of all sorts, using purchased materials or materials of your own selection.

How to use

Separate the two sides of the bag at the open end and fill with the materials you want to use. Fold over the flap like you would do with a sandwich bag and make sure the corners are tucked in securely. Place in your cup, pot, or infuser and add the hot liquid. Allow to steep until the desired strength, and then remove and discard.
