

Ticks Me Off water-based spray

Availability: In Stock
Weight: 0.00oz

Price: \$15.00

Short Description

All natural flea, tick and insect repellant in convenient 16 fluid ounce pump spray bottle. Please note that this is a 16-ounce spray bottle. It can be sprayed on the skin for personal protection, it can be sprayed on animals to protect them, or it can be sprayed on surfaces to keep bugs away from your home.

Description

Biting pests (insects, fleas, ticks, etc.) can be more than just a significant irritant; in some cases, they can even be carriers of disease or other risk agents. Malaria, Yellow Fever, Dengue Fever, Rocky Mountain Spotted Fever, Zika Virus, West Nile Virus, and Encephalitis are all diseases carried by ticks or mosquitoes.

The best defense is to repel the pests before they land on you to bite you. Ticks Me Off repels ticks, fleas, and insets naturally, without any synthetic ingredients or hazardous chemicals.

Suggested uses

The following uses have been published for one or more of the ingredients of this product;

Repels ticks and biting insects.

How to use

Spray liberally on any exposed skin surface, avoiding eyes. Spray on pant legs, shirt sleeves, or collars where pests can enter. Can safely be used on pets, horses, or other animals.
