

Fantastic Foragers Brings You A Prairie Prowl

Saturday, July 13th 2024, 10:30 AM to 12:30 PM
Letha House West, 5800 Richman Rd., Spencer, OH 44275

Join us for a walking tour of the prairie areas of Letha House West Park, part of the Medina County Park District. We will explore the numerous native plants of this habitat, their benefit to the environment, and their edible and/or medicinal value to us.

- Registration is required for this event, and a non-refundable \$5.00 service fee is required at the time of registration. Attendance is limited to 20 people, so register early at the following website link: <https://fantasticforagers.com/index.php/240713> , or scan the QR code found at the bottom of the page.
- This is a rain-or-shine event, so come prepared for the weather. The event will only be cancelled if there are thunderstorms. Registered users will be notified by email on the morning of the event if there is a weather cancellation.
- There are several plant identification applications that you can use on your mobile device. “Picture This” is free, and it is accurate and easy to use. You can access this application from either the Apple App store or the Google Play store, or go to <https://www.picturethisai.com/>

- Fantastic Foragers makes and sells products that are made using only plants or plant-derived materials.
- Herbs have been safely used for centuries by indigenous peoples, traditional medicine practices, and herbalists.
- A sampling of Fantastic Foragers products will be available for purchase at this event.
